## Take part!

Throughout the year we produce content internally and with industry partners. This includes showcasing role models and generating content to inspire the next generation of engineers, and promote diversity and inclusion in the every day. If you would like to take part in some of our projects, have a story, or know an interesting individual, get in touch!

***EqualEngineers connects inclusive employers with diverse talent in engineering and technology.***

# We use media to change perceptions.

**Develop your employer brand by letting us capture content which showcases your organisation in an authentic way. Got a company profile on EqualEngineersJobs? Enhance your presence on our employer hub by having us film your engineers! We will use this content in our social media channels, regularly reaching thousands of viewers each week.**

---

## Case study

*"Thank you for bringing light to underrepresented individuals in engineering. Their uniqueness needs to be nurtured and supported."*
