

Ruslan Nazarov

Construction Engineer

About Me

Dedicated construction professional with a Master's degree in Project Management and two years of experience as a Planning and Technical Office Engineer in the construction sector. Demonstrated expertise in precise project scheduling, technical documentation coordination, adherence to quality standards, and quantity surveying. Skilled in conducting detailed quantity takeoffs, estimating material requirements, and managing cost control processes. Fluent in English with strong communication skills. Analytical thinking and effective problem-solving further complement my commitment to successful construction project delivery.

Work Experience

Sep 2022 - present

Kristal Absheron Mtk
